Symposium of 'Creative and Sustainable Cities'

**Join us on
Friday, January 26
from 9.00 to 11.45
Hillevliet 90,
Cultuur & Campus
offices**

What makes a city creative and sustainable? And what role do the arts and culture play in this? During the symposium, students delve into these question by presenting their original empirical research on the city of Rotterdam and contemporary transformative processes.

Info and registration: Dr. Emanuela Naclerio (Naclerio@eshcc.eur.nl)
